Marinspect Safety & Rigging AB is responsible for personal data processed through this website. When you contact our Rotterdam division, Marinspect Safety & Rigging B.V. handles the personal data necessary to respond to your enquiry.

Personal data and how we use it

Our website does not use contact forms or require visitor registration.

When you visit our website, certain technical information, such as your IP address and browser details, may be processed to ensure website functionality and security.

If you contact us by email or telephone, we process the information you provide to respond to your enquiry and communicate with you.

We process personal data based on our legitimate business interests, contractual requirements or, where required, your consent.

Data protection and your rights

We take appropriate measures to protect personal data and retain it only for as long as necessary or as required by law.

Personal data may be processed by trusted service providers supporting the operation and maintenance of our website.

Under the GDPR, you have the right to request access to, correction or deletion of your personal data. You may also have the right to restrict or object to certain processing activities, request data portability and withdraw your consent where applicable.

You also have the right to lodge a complaint with a relevant data protection authority.

For privacy-related questions, please contact us at sweden@marinspect.eu or rotterdam@marinspect.eu.

Cookies and Consent

Our website uses cookies and similar technologies. We use Cookiebot to manage cookies and visitor consent.

For detailed information about the cookies used on this website, please see the **Details** section in our Cookiebot cookie banner.

You can change or withdraw your consent at any time through our cookie settings.
